

25 JUL 1952

**TO:** DIRECTOR OF CENTRAL INTELLIGENCE  
**FROM:** Deputy Director (Intelligence)  
**SUBJECT:** Terms of Reference of Intelligence Working Group

1. **PURPOSE.**--To provide terms of reference for the Intelligence Working Group so enable it to furnish intelligence support to the Economic Defense Advisory Committee (EDAC).
2. **FACTS INVOLVED IN THE PROBLEM.**--The essential facts are stated in the preamble to the proposed terms of reference attached as Tab A. Attached as Tabs B and C, respectively, are the letters of the Director for National Security and the Secretary of State regarding the formation of the Intelligence Working Group. The letter of the DNI in reply, dated 2 July 1952, is attached as Tab D.  

a draft of the terms of reference was submitted to the IAC on 16 June 1952. At that time action was postponed at the request of the Department of State. Since then the terms have been revised and approved at the working level.
3. **DISCUSSION.**--The Intelligence Working Group has begun to function and has held seven meetings to date. It cannot function fully and effectively, however, without the authority and direction contained in the proposed terms of reference attached. These terms of reference were approved by the Intelligence Working Group. The AFPM representative reserved his position, taking exception to the words "for direct intelligence support of the Economic Defense Advisory Committee," in the first sentence of the preamble, and to the words "to develop and furnish intelligence," under "purpose".
4. **ACTION RECOMMENDED.**--It is recommended that the attached terms of reference be approved and issued by the IAC as a directive.
